To the Secretaries of the Daughter Lodges

16<sup>th</sup> March 2020

Dear Sir and Brother,

The temporary “Blanket Dispensations” covered in the attached letter are, as shown.

I have excluded Invitations in and out of the Province to other Sister Provinces as these will cease, immediately.

The remaining Provincial Visitations to Daughter Lodges and the April Communication are cancelled.

I suggest that we use the electronic communications, as much as possible. For example, there are five visits left and if the Secretaries and Treasurers, in question (484, 531, 69, 139 and 1456 ) can send their Minutes and Accounts, electronically to me and Provincial Grand Treasurer, that pretty much covers the administrative function of the Lodges and Provincial Grand Lodge.

Finally, it is a strong recommendation that ALL Masonic activities within the Province should be cancelled. The situation will be monitored, on an ongoing basis, and reported back.

Needless to say, I am available to discuss the attached or anything else, for that matter.

Yours sincerely and fraternally,

Nicol Scobbie  
Provincial Grand Secretary
