

The Grand Lodge of Antient Free and Accepted Masons of Scotland

William Ramsay McGhee, OStJ, D.L., Grand Master Mason

Brethren,

20th June 2021

I'm delighted to be able to tell you that the immense amount of hard work carried out by the strategy group and the five working parties has been recognised by the Administration Committee. They have given their support to the reports from the strategy group, all of which will now go to Grand Committee to take forward.

On Wednesday evening I had the privilege of attending a zoom meeting regarding Mental Health issues. The initiative has come from the Province of Fife and Kinross as a follow on to their Dementia initiative and is being supported by our Benevolence and Care Committee through Mrs Dawn Oliff. 23 of our 32 Provinces were represented but there will be a follow up and a new fact sheet is being prepared for dissemination to the Provinces and to our Districts. The meeting will also be available to download soon. It is vitally important that our Almoners, in particular, but all members in general can identify when a Lodge member is struggling with mental health issues and be in a position to offer help – the fact sheet will assist in this process. There has also been an offer to extend the Mental Health First Aiders training to any Province that would like to participate.

So sorry to learn this week of the deaths of two past Provincial Grand Masters – Brother Dixon J Drye, Past PGM of Renfrewshire East and Brother Andrew J Mitchell, Past PGM of Aberdeenshire West. Our sincere condolences are extended to their families and to the Provinces.

At the strategy group meeting on Tuesday, it was agreed that the members of the group will undertake a full review of the Covid advice and recommendations previously circulated as a result of the ever-changing political situation. Any changes will be notified to all Lodge Secretaries as soon as is practical.

- Our membership of Brethren who belong to Lodges whose Grand Lodges are in amity with the GLoS (**International Constitution Members**) continues to grow with another 21 new ICMs joining this week ... we now have **669** Brethren spreading news of the wonderful support featured in the posts on the main SCFS page and on the increasingly popular *SCFS-Showcase*, throughout their constitutions.
- This week Brethren joined from **9** different Masonic Constitutions, namely: the GL of Japan, UGLE (England, Bombay, Uruguay), GL of South Africa, United GL of Bulgaria, Most Serene GL of the Republic of San Marino, United GL of Victoria, Most Worshipful GL of the Philippines, GL of Greece, GL of India.
